Learning a language at a young age helps children to grow in self-confidence and boosts their natural creativity. There is a fantastic window of opportunity during early years development where children can absorb a language without even realising it!

At Kidslingo, we are dedicated to teaching French to children through fun. We use stories, games, songs, crafts and drama to bring the language to life and inspire our learners, focusing on a different fun topic each half term.

- 1 hour classes on Mondays 3:00pm-4:00pm from 10th September
- £4.50 per week - sign up for a term at a time. Existing customers will have priority at renewal for the next term's classes
- We will issue vocabulary sheets, provide reward certificates and worksheets

If you would like to register, please email me and I will send you the link to the online booking system.

Please book early to avoid disappointment.
