

# Year 1 Autumn 2 Maths Activity Mat 4

## Section 1

The arrow has turned from the top to the side.

What sort of turn is that?

## Section 2

What comes next?

14 , 13 , 12 ,  ,  
 ,

## Section 3

I have 4 lollies.

I have 5 friends.

How many more lollies do I need if I give one lolly to each friend?

## Section 4

Add 2 more birds.

How many birds are there altogether?

## Section 5

How much money is here?

## Section 6

Match the answer to the number statement.

$$12 + 2 = 17$$

$$10 + 0 = 14$$

$$1 + 16 = 10$$

## Section 7

Fill in the gap to tell us where the cat is.

The cat is  the table.

beside    on top    under

## Section 8

Write a number statement for the picture.

$$\square + \square = \square$$

### Section 1

The arrow has turned from the top to the bottom.

What sort of turn is that?

$\frac{1}{4}$  turn

### Section 2

What comes next?

14 , 13 , 12 , **11** ,  
**10** , **9**

### Section 3

I have 4 lollies.

I have 5 friends.

How many more lollies do I need if I give one lolly to each friend?

1 more

### Section 4

Add 2 more birds.

How many birds are there altogether?

10 birds

### Section 5

How much money is here?

7p

### Section 6

Match the answer to the number statement.

$12 + 2 =$  17  
 $10 + 0 =$  14  
 $1 + 16 =$  10

### Section 7

Fill in the gap to tell us where the cat is.

The cat is **under** the table.

beside    on top    under

### Section 8

Write a number statement for the picture.

**3** + **4** = **7**

# Year 1 Autumn 2 Maths Activity Mat 4

## Section 1

The arrow has turned from the top to the bottom.

What sort of turn is that?

## Section 2

What comes next?

5 , 4 ,  ,

## Section 3

I have 3 lollies. I have 4 friends. Do I have enough lollies to give them one each?

## Section 4

Add one more bird.

How many birds are there altogether?

## Section 5

How much money is here?

## Section 6

Match the answer to the number statement.

$$2 + 2 = \quad 2$$

$$3 + 0 = \quad 4$$

$$1 + 1 = \quad 3$$

## Section 7

Fill in the gap to tell us where the cat is.

The cat is  the bucket.

under      next to      on top

## Section 8

Write a number statement for the picture.

$$\square + \square = \square$$

### Section 1

The arrow has turned from the top to the bottom.

What sort of turn is that?

$\frac{1}{2}$  a turn

### Section 2

What comes next?

5 , 4 , 3 , 2

### Section 3

I have 3 lollies. I have 4 friends. Do I have enough lollies to give them one each?

No

### Section 4

Add one more bird.

How many birds are there altogether?

5 birds

### Section 5

How much money is here?

5p

### Section 6

Match the answer to the number statement.

$2 + 2 =$  2  
 $3 + 0 =$  4  
 $1 + 1 =$  3

### Section 7

Fill in the gap to tell us where the cat is.

The cat is next to the bucket.

under      next to      on top

### Section 8

Write a number statement for the picture.

3 + 2 = 5

# Year 1 Autumn 2 Maths Activity Mat 4

## Section 1

The arrow has turned from the top to the other side.

What sort of turn is that?

## Section 2

What comes next?

21, 20, 19, ,  
,

## Section 3

I have 6 lollies and want to share them with 9 people.

How many more lollies do I need?

## Section 4

Add 3 more birds.

How many birds are there altogether?

## Section 5

How much money is here?

## Section 6

Match the answer to the number statement.

$$19 + 1 = 12$$

$$15 - 3 = 11$$

$$10 + 1 = 20$$

## Section 7

Where is the cat?

Put a circle around the correct answer.

next to    on top of    under  
beside    inside

## Section 8

Write a number statement for the picture.

$$\square + \square = \square$$

### Section 1

The arrow has turned from the top to the other side.

What sort of turn is that?

$\frac{3}{4}$  turn

### Section 2

What comes next?

21, 20, 19, **18**,

**17**, **16**

### Section 3

I have 6 lollies and want to share them with 9 people.

How many more lollies do I need?

**3 more**

### Section 4

Add 3 more birds.

How many birds are there altogether?

**11 birds**

### Section 5

How much money is here?

**10p**

### Section 6

Match the answer to the number statement.

$19 + 1 =$  ~~12~~

$15 - 3 =$  ~~11~~

$10 + 1 =$  ~~20~~

### Section 7

Where is the cat?

Put a circle around the correct answer.

next to **on top of** under  
beside inside

### Section 8

Write a number statement for the picture.

**3** + **6** = **9**
