Introduction

At Whaddon Church of England First School we aim to provide an environment underpinned by our Christian values, where everyone experiences the joy of learning. Bullying in our school is taken very seriously; it is not a normal part of growing up and it can have a negative impact on learning, attainment and attendance.

Objectives

Whaddon Church of England First School Anti-Bullying Policy outlines what we will do to prevent and tackle bullying. This policy has been drawn up with involvement of the whole school community.

Our anti-bullying policy aims to:

- Promote respect and tolerance for each other, including and engaging with everyone's perception of bullying
- Provide a secure, stimulating, positive and mutually respectful and inclusive environment for learning
- Clarify for pupils, parents and staff what bullying is and that it is always unacceptable
- Explain to staff, pupils and the whole school community why bullying occurs and its impact on individuals and the school as a whole
- To have in place an anti-bullying support system based on reconciliation and forgiveness, that all staff and pupils understand and to apply the system consistently

Our school community

- Will discuss, monitor and review our anti-bullying policy on a regular basis
- Will support staff to promote positive relationships and identify and tackle bullying appropriately
- Will ensure that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy
- Will report back to parents/carers regarding their concerns on bullying and deal promptly with complaints. Parents/ carers in turn work with the school to uphold the anti-bullying policy

Definition of bullying

The repetitive or persistent intentional hurting of one person by another, where the relationship involves an imbalance of power.

Types of bullying

Bullying often results from prejudices and stereotyping. Vulnerable and minority groups who are seen to be 'different' are often bullied, however people may be targeted for no reason at all.

Bullying can happen to anyone. This policy covers all types of bullying including:

- Race, religion or culture
- Special educational needs
- Appearance or health conditions

- Sexual orientation
- Bullying of young carers or looked after children or otherwise related to home circumstances
- Sexist or sexual bullying
- Cyber bullying

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; inappropriate text messaging and electronic messaging (including through web-sites, Social Networking sites and Instant Messenger); sending offensive or degrading images by phone or via the internet; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

Our School is aware that it is possible that the bully may be an adult and will impose appropriate sanctions and if necessary follow safeguarding procedures where this is the case.

Preventing and responding to bullying

What we do to prevent bullying

We will:

- Actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience
- Consider all opportunities for addressing bullying including through the curriculum, through information and displays, through peer support and through the student council
- Train all staff to identify bullying and follow school policy and procedures on bullying

Encouragement to tell

We actively encourage anyone who is being bullied, or others who know about it, to feel that they will be listened to, and that action will be swiftly taken which is sensitive to their needs. Disclosure (telling an adult/peer) can be direct and open or indirect and anonymous. Everyone must realise that not telling someone means that the bullying is likely to continue.

Step by Step Guide for Parents: Bullying

Definition of bullying:

It is the wilful, conscious desire to hurt, threaten or frighten someone repeatedly by an individual or groups.

Bullying may include:

- ❖ Physical Attack: Unwanted physical contact, kicking, punching, pinching, pushing, hitting etc.
- ❖ Words: Teasing and name calling, making fun of physical differences e.g. Fat/thin, tall/short etc.
- ❖ Rumours: Interfering with friendships, isolation of individuals, spreading nasty rumours
- ❖ Threatening: taking money, items, or threaten physical attack
- ❖ Annoying: continually annoying and causing discomfort and frustration
- ❖ Racist: Being unkind about race, colour or religion

If you are concerned about bullying:

At Whaddon Church of England First School we have clear expectations of good and friendly behaviour and we see bullying in a serious light. We also want to ensure that parents and carers and children are able to communicate their concerns with the school.

- ❖ Carefully listen to the child's account of the nature of the incident/s
- ❖ Acknowledge a child's fears and experiences. Open communication helps to accurately establish the nature of the concern and also if the situation changes or improves with time.
- ❖ Speak to the **Class Teacher** who will make thorough enquiries and address the situation.
- ❖ Follow up with the Class Teacher and the child to find out about improvements and changes to the situation.
- ❖ Please continue to tell your class teacher if you feel that the situation has improved, worsened or remained unchanged. This will allow measures to
- ❖ be adjusted in order to resolve the matter.
- ❖ Should you not be entirely satisfied with the situation it would be possible to arrange a meeting with the School Head who will further address the situation.

Never bully back, keep the communication open with the Class Teacher in working towards a solution.

Maintaining a friendly and safe environment for our children:

We all play a very important role in ensuring that Whaddon continues to provide a safe, caring and friendly environment for our children, allowing children to concentrate on and flourish in their education.

Your help is vital. Please help us by:

- ❖ Preparing young children about acceptable friendly behaviour and the negative effects of bullying
- ❖ Encouraging children to identify and report bullying that they either experience or see
- ❖ Encouraging children to speak to yourselves and staff about their concerns, fears and experiences so that behaviour can be corrected very quickly
